

# WORLD VITILIGO DAY

## Call for Abstracts

We are pleased to announce the Call for Abstracts for World Vitiligo Day 2025, taking place on June 25<sup>th</sup>, 2025 in Toronto, Canada. Join us at this year's conference where researchers, clinicians, industry leaders, and patient advocates will converge to explore the latest advancements and insights in vitiligo care and research.

We invite original research and innovative ideas, including in-development projects, that contribute to expanding the knowledge base of the vitiligo community.

**Deadline for abstract submissions: May 30<sup>th</sup>, 2025**

**We are accepting submissions on the following key themes:**

**1. Clinic & Research**

- **Examples:** Novel therapeutic approaches and drug development, advances in phototherapy and topical treatments, combination therapies and personalized medicine.

**2. AI & Medtech Innovation**

- **Examples:** AI-assisted assessment/diagnostic tools and skin imaging, telemedicine and remote patient monitoring, integration of AI with existing clinical workflows.

**3. Cosmetics & Camouflage**

- **Examples:** Advances in skin camouflage products and techniques, cosmetic tattooing and micropigmentation, safety and efficacy of makeup and cover-up products.

**4. Mental Health and Management**

- **Examples:** Psychological impact of vitiligo across different age groups and skin tones, counseling and peer support programs, mindfulness, cognitive behavioral therapy (CBT), and resilience training

## Submission Guidelines

- **Abstract Length:** Maximum 250 words
- **Format:** Background, Methods, Results, and Conclusion
- **Deadline:** May 30<sup>th</sup>, 2025, 11:59 pm EST
- Include a complete list of author names, affiliation/organization names, and email address to [vitaligo@skinopathy.com](mailto:vitaligo@skinopathy.com)

## Review Process

Abstracts will undergo review by an expert panel and accepted abstracts will be presented in a poster or digital presentation. We look forward to your valuable contributions to advancing the care and understanding of vitiligo.

For inquiries, please contact: [vitaligo@skinopathy.com](mailto:vitaligo@skinopathy.com)

**Submit your abstract today and join us in shaping the future of vitiligo care!**
